Dear Tony,

Thank you for the good news. Will await receipt of the signed contracts.

Would you please advise:

1. Name of person or department to whose attention billing should be sent.
2. We send most of our billing in pdf format via email and would like to offer this to Mega. Attached please find a description of this service. If they can receive their invoices in this format, kindly advise the name and email address of the person to whom we should send the invoices via email. If they cannot receive it in this format, please advise a phone number so we can send via pouch.

Thanks again and best regards,  
Susan
